

The Town of Carlyle has an Emergency Measures plan in place. For details, contact the Emergency Measures Coordinator, Brent Stillwell, at 577-9853, or the Assistant Emergency Measures Coordinator, George Anderson, at 453-6471.

In the event of a declared emergency, tune in to CJSL (Estevan radio station) for timely updates and instructions.

At present, the evacuation point is Prairie Place in Arcola, but this is subject to change as circumstances change. During prolonged power outages in winter, elderly people will be taken or could make their way to the Moose Mountain Lodge, as they have alternate power.

If you have any questions, contact the emergency measures personnel listed above, or the Town Office.
